

LAPPLAND

“A child’s laugh & smile could simply be one of the most beautiful sights & sounds in the world”

Each December, When You Wish Upon a Star takes many very special children on a truly magical trip of a lifetime to Lapland to visit Father Christmas. This is the highlight of the charity’s year and the trip gives the children who are living with a life threatening illness, respite and time out from painful treatments to simply be a child for the day. It also gives the parents a break and chance to see their children smile, creating precious moments which last long after the day is over.

Lily-Mai

“We just wanted to say a huge thank you for giving Lily Mai the opportunity to visit Lapland and Santa. It will be an amazing memory to treasure always. Thank you!! Liz and Lily-Mai x”

“Thank you, thank you, thank you for taking Thea and I to Lapland, it was magical. When we arrived back in the UK Thea and I both felt that we had been away for days. We loved playing in the snow, going on the rides, drinking hot chocolate and meeting Father Christmas. The helpers were amazing and so supportive. Big smiles from both of us. Ali and Thea”
